

**Summer Camp Philosophy**

The City of Victoria is committed to providing safe, accessible, inclusive, and meaningful recreation opportunities for everyone. Our summer camp programs aim to eliminate barriers and create a welcoming environment for everyone, inclusive of all gender identities and sexual orientations.

**Inclusion and Accessibility**

If your child receives educational assistance at school, they may benefit from one-on-one support in camps. To request a support leader, please register for our Inclusion Support Program and we will contact you to determine availability. Learn more at [victoria.ca/recreation](http://victoria.ca/recreation).

**COVID-19 Safety Enhancements**

The safety of our patrons, their families and City staff is our top priority. All programs have been developed following the guidelines and protocols issued by the Public Health Officer, the BC Centre for Disease Control, WorkSafeBC and the BC Recreation and Parks Association. To learn more, please visit [victoria.ca/recreation](http://victoria.ca/recreation).

**What parents said last summer:**

“Fun programs, great leaders, felt safe to be there.”

“My son came home exhausted but happy every day.”

“It was well planned and thought out which made us feel safe having our daughter in the camps even during such a sensitive time. Thank you.”

Registration for all programs opens May 3 at 9 a.m.
